## **PRIVACY POLICY**

### **Policy on Collection and Use of Personal Credit Card Information**

The US Training Council values and respects an individual's right to keep certain Personal Information private. Likewise, the US Training Council values the need to collect and use Personal Information which will enable the US Training Council to effectively deliver products and services. "Personal Information" is "Demographic Information" which includes name, address, city and other similar information. Transactional Information is data collected on an individual based on the individuals' interactions with the US Training Council. Aggregate Information is information in summary form which does not contain data that would permit the identification of a specific individual.

#### **A. US Training Council Collection of Personal Information**

The US Training Council will collect Personal Information on an individual only if the individual provides the information to the US Training Council. Notwithstanding, the US Training Council does collect Demographic Information in order to deliver products & services.

#### **B. US Training Council Use of Personal Information**

1. The US Training Council uses Transactional Information only for delivery of products and services.
2. The US Training Council will disclose all information as required by law.
3. The US Training Council will suppress the use of an individual's Personal Information if requested by that individual.

#### **C. Specific Requirements**

##### **1. Administrative Requirements**

- (a) All Personal Information collected on individuals will be kept confidential and in a secure environment.
- (b) Access to Personal Information will be restricted to only those personnel with a legitimate business purpose.
